InPEST products could undergo necessary or opportune technical changes, at any given time, without prior written notice to customers.

## TECHNICAL DATA SHEET

### 5. HOW TO USE:

Place the monitoring sign Check Point MD at every monitoring station, in order to find each device for mating disruption technique easily and ensuring an easier collection of control data.

Furthermore, you can use the 2 holes at the upper corners for fixing the sign itself and, by folding the lower corners, you can use the 2 lower holes to insert the string for mating disruption technique using the 2 lower holes.

### 6. PACKAGING AND SPARE PARTS:

Sales unit: 1 piece.

### 7. DISPOSAL CONSIDERATIONS:

Waste disposal should be in accordance with existing Community, National and local regulations.
